

## The Brenau 1650 Swim Meet

NGA swimmers and parents were off to Brenau University in Gainesville on Saturday to compete in the single event, the 1650 Freestyle.

Team members Ricky Relf, Jake Howlin, Hunter Howlin, Cameron Butchart, Hannah Petty, Tore Christiansen, Alexandra Vande Linde all dropped times off their best 1650 Freestyle effort. That's 66 lengths of the 25 yard pool.

The Junior Team would not be left out with 8 y.o. Abby Spencer and 9 y.o. Kylee Howlin posting best times in the 500 Freestyle, that's 20 lengths of the 25 yd pool.

The NGA parents were very supportive as always by providing the timing and lane counting duties for our team.

While only one event was contested NGA swimmers broke 15 NGA Team Records "on-their-way" to their final distance.

Tore Christiansen led the record breaking charge with new records in the 13 & 14 Girls 1650, 1000, 500, 200 & 100 Free. Alexandra Vande Linde broke records in the Senior 1650, 1000 & 500 Free. Ricky Relf lowered the 13 & 14 boys 1650, 1000 & 500 Free. Hannah petty set new records in the 9 & 10 Girls 1650 & 1000 Free. 8 year old Abby Spencer set new 8 & under records in the 500 & 200 Free.

Team NGA is off to Dalton High School this coming weekend for the final swim meet of this short course season. All NGA team member swill then rejoin their summer league swim team to show how much they have improved over the course of the past season.
